Save time, apply online
Applying to vary your insurance via the Member Online portal is quick and easy. Simply login via ngssuper.com.au/MOL and follow the prompts.

Please complete this form if you want to change your insurance category. You can use this form to change your insurance category from:

- NGS General to NGS Plus or NGS Select, or
- NGS Plus to NGS Select.

For assistance please call us on 1300 133 177.

Further details can be found in the [Insurance guide](#) available at ngssuper.com.au/PDS.

If accepted by TAL, a change in your insurance category will result in lower premiums. Your sum insured will not reduce and in some cases will result in an increase in your sum insured.

Age-based¹ cover - Special conditions

For members who are currently in the **General Category** who have age-based default cover and if your application is accepted by TAL, your sum insured will be calculated as follows:

- your multiple will not change if your multiple is **less than 1**. Your sum insured will therefore be calculated by multiplying your multiple by the NGS Plus age-based *Default Cover*.
- your multiple will not change if your multiple is **equal to 1**. Your sum insured will be calculated by multiplying your multiple of 1 by the NGS Plus age-based *Default Cover*.
- if your multiple of age-based cover is **more than 1**, you will receive the greater of either
 - the NGS Plus age based *Default Cover*, and
 - your current cover.

This will then be expressed as a multiple of the NGS Plus age-based *Default Cover*.

Please note, your sum insured will change as you age and will be subject to a maximum of:

- \$1,140,000 for life and total and permanent disablement; and
- \$120,000 for income protection.

Premiums will be based on NGS Plus (or NGS Select if eligible) premium rates. It is important to note that while there will be initially an increase or no change to your age-based sum insured, your sum insured will change over time in line with changes in the NGS Plus age-based sum insured scale.

Fixed cover² - Special conditions

For members who are currently in the **General Category** who have fixed cover, your fixed cover sum insured amount will not change. However premiums will be based on NGS Plus (or NGS Select if eligible) premium rates.

¹ **Age-based default cover** is where generally the amount of your cover changes over time, with costs changing most years and costs being based on your sum insured and age.

² **Fixed Cover** is where the amount of cover generally stays the same (except for TPD cover which decreases from age 61) but the cost increases as you get older.

Section C. Declaration and signature

Duty of disclosure

Before a superannuation fund enters into a life insurance contract in respect of your life, it has a duty to tell the insurer anything that it knows, or could reasonably be expected to know, may affect the insurer's decision to provide the insurance and on what terms.

The superannuation fund entering into the contract has this duty of disclosure until the insurance is provided.

The superannuation fund has the same duty before it extends, varies or reinstates the contract.

The superannuation fund does not need to tell the insurer anything that:

- reduces the risk of the insurance; or
- is common knowledge; or
- the insurer knows or should know as an insurer; or
- the insurer waives the duty to tell the insurer about.

If you as a member of the superannuation fund do not tell the insurer something

If you, as the person whose life is to be insured under the superannuation fund, do not tell the insurer something that you know, or could reasonably be expected to know, may affect the insurer's decision to provide the insurance and on what terms, this may be treated as a failure by the superannuation fund to comply with its duty of disclosure.

If the superannuation fund does not tell the insurer something

In exercising the following rights, the insurer may consider whether different types of cover can constitute separate contracts of life insurance. If the insurer does, it may apply the following rights separately to each type of cover.

If the superannuation fund does not tell the insurer anything it is required to, and the insurer would not have provided the insurance if it had been told, the insurer may avoid the contract within 3 years of entering into it.

If the insurer chooses not to avoid the contract, it may, at any time, reduce the amount of insurance provided. This would be worked out using a formula that takes into account the premium that would have been payable if the superannuation fund had told the insurer everything it should have. However, if the contract provides cover on death, the insurer may only exercise this right within 3 years of entering into the contract.

If the insurer chooses not to avoid the contract or reduce the amount of insurance provided, it may, at any time, vary the contract in a way that places the insurer in the same position it would have been in if the superannuation fund had told the insurer everything it should have. However, this right does not apply if the contract provides cover on death.

If the failure to comply with the duty of disclosure is fraudulent, the insurer may refuse to pay a claim and treat the contract as if it never existed.
