

# NGS SUPER INVESTMENT PERFORMANCE SUMMARY TO 30 NOVEMBER 2020 INCOME ACCOUNT

Returns on income account (pension) investments are tax-free. Income account investment returns will exceed equivalent (taxed) super investment returns in periods when investment earnings are positive. In periods when investment earnings are negative, super returns will exceed equivalent income account returns. A negative return (loss) means that less tax is payable on taxed super investments than has already been accrued, so there is a tax adjustment that can be credited back to accumulation members. There is no equivalent adjustment for income account members because income account returns are tax free.
