

INSURANCE TRANSFER FORM

You may be able to apply to transfer insurance cover that you have outside of NGS Super. The amount of the total sum insured after the transfer of cover cannot exceed:

- \$2,000,000 for Life/TPD
- \$15,000 per month for IP.

You can apply to transfer insurance cover that you have outside of NGS Super if you:

- are under 60 years of age and not working in an occupation involving hazardous or very heavy manual work; and
- have superannuation with another fund where you are covered for death and/or total and permanent disablement (TPD) benefit and/ or income protection benefit under that fund ('former fund'); or
- have an individual death and/or TPD and/or income protection insurance policy outside of superannuation from a life insurer ('individual insurer').

Your duty of disclosure

Before you enter into a life insurance contract, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until the insurer agrees to insure you. You have the same duty before you extend, vary or reinstate the contract. You do not need to tell the insurer anything that:

- reduces the risk they insure you for, or
- is common knowledge, or
- they know or should know as an insurer, or
- they waive your duty to tell us about.

In exercising the following rights, the insurer may consider whether different types of cover can constitute separate contracts of life insurance. If they do, they may apply the following rights separately to each type of cover.

If you do not tell the insurer anything you are required to, and they would not have insured you if you had told them, they may avoid the contract within 3 years of entering into it.

If the insurer chooses not to avoid the contract, they may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told them everything you should have. However, if the contract has a surrender value, or provides cover on death, the insurer may only exercise this right within 3 years of entering into the contract.

If the insurer chooses not to avoid the contract or reduce the amount you have been insured for, they may, at any time vary the contract in a way that places them in the same position they would have been in if you had told the insurer everything you should have. However, this right does not apply if the contract has a surrender value or provides cover on death.

If your failure to tell the insurer is fraudulent, they may refuse to pay a claim and treat the contract as if it never existed.

Important

If you apply to transfer your cover, it is important to wait until you receive confirmation that we have accepted your insurance before cancelling your existing cover or consolidating your super balance into your NGS Super account.

If NGS Super's Insurer (TAL Life Limited) accepts your application, you will receive an amount of cover equivalent to the level of cover you currently have with your former fund or individual insurer.

If this cover is for **death and/or TPD**, this cover will apply **in addition to any existing cover** that you may have under NGS Super (subject to terms and conditions of the policies).

If you are transferring **Income Protection** cover, transfer cover (including relevant waiting and benefit period) will **replace** any existing cover that you may have under NGS Super subject to the following conditions:

- where there is **no equivalent waiting period** (e.g. 45 days), the waiting period will be the next longer waiting period (e.g. 60 days)
- where there is **no equivalent benefit period** (e.g. up to 3 years), the benefit period will be the next shorter benefit period available (e.g. up to 2 years). It should be noted that:
 - (i) the waiting period of the cover to be transferred must not be longer than 90 days, and
 - (ii) the benefit period of the cover to be transferred must not be shorter than 2 years

or

- if the **waiting and benefit period match** (your existing NGS Super cover), the transfer cover can be added to your existing amount of cover - subject to your income supporting your requested cover level.

All your cover will become **Fixed Cover** (including any existing cover you may have under NGS Super) if you transfer cover into your NGS *Accumulation account*.

Any **loadings, exclusions, restrictions or limitations** which were imposed on your insurance cover by the former fund or individual insurer will be assessed and if accepted by the Insurer, apply to the transferred cover. Please attach a copy of the advice you received from the former fund or individual insurer (that is dated within the last 60 days) advising you of the acceptance of that cover subject to these additional terms.

How to transfer your cover?

- 1 Complete Sections 1 to 8 of this form.
- 2 Attach proof of your insured benefits from your former fund or individual insurer confirming the type and level of cover you have, such as:
 - an up-to-date statement
 - certificate of currency
 - confirmation email/letter from your former fund/life insurer.The document must be dated within the last **60** days.
- 3 If the transferred cover is from another super fund, then once the new cover has been confirmed in writing as accepted by TAL, you are required to transfer the total available account balance (where applicable) of this fund into your NGS Super *Accumulation account* within **60** days of the date of the acceptance.
