The above table shows the net return after investment fees, tax and the asset-based fee.

We recommend that you seek financial advice before making any changes to your investment strategy. In particular we recommend that you seek independent financial advice before making any short-term changes to your long-term investment strategy. Investment returns are not guaranteed as all investments carry some risk. Past performance is not a reliable indicator of future performance.

<sup>1</sup> If you are in a *Transition to Retirement account*, your returns prior to 1 July 2017 were tax-free and were reflected in the *Income account* returns.
