Step 2. Attach documentation if your personal details have changed

Name and date of birth changes — attach a **certified** copy of supporting documentation (see **Step 3** for information about who can certify documents and sample certification wording).

Address changes — attach a copy of a recent bill, mail item or driver's licence that displays your new residential or postal address.

If the required supporting documentation is not provided, the processing of your transaction will be delayed.

Step 3. Attach proof of identity

For Identification purposes, you **MUST** attach a certified copy of either your driver's licence or passport (or acceptable alternatives). You can have these documents certified by a number of people including either a full-time teacher or by a post office employee with more than two years' continuous service. For a full list of people who can certify documents and acceptable alternative documents, please visit ngssuper.com.au/poi. An example of how to certify documents is shown below.

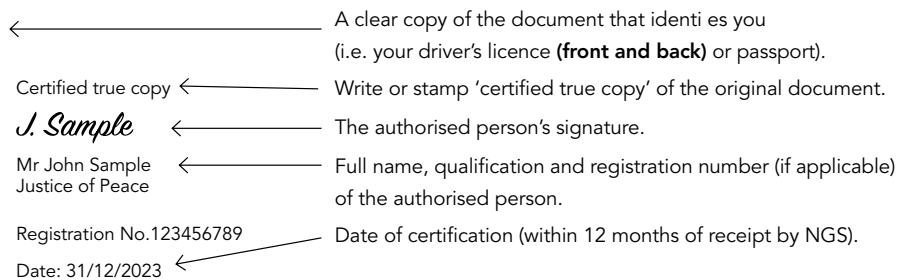

I have attached a certified copy of the appropriate proof of identity.

Failure to provide appropriate proof of identification may result in the processing of your payment(s).

How to certify documents

After sighting the original and the copy and making sure both documents are identical, the certifier must include on EACH page:

- written or stamped 'certified true copy'
- signature and printed full name
- qualification (such as Justice of the Peace, Australia Post employee with more than 2 years' continuous service, etc.)
- date (the date of certification must be within the 12 months prior to our receipt).

Verification

A verification of the certifying party may be performed. If a discrepancy arises, you may be requested to re-certify documentation.

However, if your superannuation fund does not have your TFN, they cannot accept personal contributions (and other member contributions) and extra tax may be deducted from your employer contributions (and other assessable contributions).

If your spouse is not a member of a super fund, they can join NGS Super. For details, download a copy of our [Product Disclosure Statement](#) at ngssuper.com.au/PDS or call us on **1300 133 177**.

If you are splitting contributions to an SMSF, you will also need to supply a copy of a bank statement of the Fund. Step 5. Contributions splitting details

Contributions you split must be from the previous financial year, unless you are planning to close your account with NGS Super, in which case you can also split the current financial year.

You cannot split more than 85% of your eligible contributions for the financial year you nominate.

Eligible contributions include:

- employer contributions (including salary sacrifice contributions)
- personal contributions you made for which you have claimed a tax deduction, noting that you must have claimed the tax deduction **before** you lodge this form.

Previous financial year:

30 June Amount \$, .00 **OR** Percentage %

Current financial year: If completing this row, please ensure this form is submitted together with your [Request for withdrawal form](#)

30 June Amount \$, .00 **OR** Percentage %

If you nominate an amount greater than the legislated concessional contribution cap, the amount transferred will be reduced accordingly. Your account balance must not fall below \$6,000 following the split.

For more details on concessional contribution caps, please see our fact sheets [Split super contributions with your spouse](#) and [Opportunities and limits for super contributions](#) available at ngssuper.com.au/PDS.

Step 6. Sign the form (member to complete)

By signing this form I acknowledge that I have read and understood the fact sheet **Split super contributions with your spouse** and I understand that:

- once my contributions split is actioned, I will not be eligible for a further contributions split in respect of the nominated financial year
- the amount transferred from NGS Super will be taken from the preservation components in the following order: preserved, restricted non-preserved, unrestricted non-preserved
- my nominated transfer amount will be reduced, if necessary, to ensure that I maintain an account balance of at least \$6,000 in my member account in NGS Super
- if the contributions nominated to be split exceed the maximum allowed by the legislation or the Fund's rules, my nominated transfer amount will be reduced to the maximum allowable amount
- the value of my super in NGS Super (including any Death and Total and Permanent Disablement benefits) will decrease by the amount transferred out of NGS Super in accordance with this contributions
- there may be a delay in payment if my details have changed.

I have read and understand the **Privacy Collection Statement** and consent to my personal information being collected, disclosed and used as described in that Statement.

I confirm that the person nominated as the receiving spouse in Step 4 is an eligible spouse, as defined in Step 7.
