

YOUR DUTY TO TAKE REASONABLE CARE

When you apply for insurance, you are treated as if you are applying for cover under an individual consumer insurance contract. A person who applies for cover under a consumer insurance contract has a legal duty to take reasonable care not to make a misrepresentation to the Insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Under the Insurance Contracts Act 1984 (Cth) there are a number of different remedies that may be available to the Insurer. They are intended to put the Insurer in the position it would have been in if the duty had been met. For example, the Insurer may:

- avoid the cover (treat it as if it never existed)
- vary the amount of the cover or
- vary the terms of the cover.

Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances
- what the Insurer would have done if the duty had been met – for example, whether it would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what you can do if you disagree.

Guidance for answering the questions in this form

You are responsible for the information provided to the Insurer. When answering questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

Please note that there may be circumstances where the Insurer later investigates whether the information given to it was true. For example, it may do this when a claim is made.

Changes before your cover starts

Before your cover starts, the Insurer may ask you whether the information that has been given as part of your application for insurance remains accurate or whether there has been a change to any of your circumstances. As any changes might require further assessment or investigation, it could save time if you let us or the Insurer know about any changes when they happen.

It's important that you understand your obligations and the questions that are being asked. Please contact us for help if you have difficulty understanding the process of obtaining insurance or answering any questions.

INSURANCE TRANSFER INFORMATION

Please complete this form if you would like to transfer your existing insurance cover to NGS Super. Any equivalent cover in NGS Super ('the Fund') will be provided by TAL Life Limited ('the Insurer') and their definitions, terms and conditions will apply to the cover. The amount of the total sum insured after the transfer of cover cannot exceed:

- \$2,000,000 for Life/TPD
- \$15,000 per month for IP.

You can apply to transfer insurance cover that you have outside of NGS Super if you:

1. are under age 60 and not working in an occupation involving hazardous or very heavy manual work; and
2. have superannuation with another fund where you are covered for Life and/or TPD benefit and/or IP benefit under that fund ('former fund'); or
3. have an individual Life and/or TPD and/or IP insurance policy outside of superannuation from a life insurer ('individual insurer').

Note: Ex-QIEC Super members are eligible to apply to transfer insurance cover from funds outside of NGS Super up until age 65. Relevant members will still need to meet eligibility criteria 2 and 3 above.

How to transfer your cover?

- 1 Complete Sections 1 to 8 of this form, which includes acknowledging the Duty of Disclosure section of this form.
- 2 Attach proof of your insured benefits from your former fund or individual insurer confirming the type and level of cover you have, such as:
 - an up-to-date statement
 - certificate of currency
 - confirmation email/letter from your former fund/life insurer.The document must be dated within the last **60** days.
- 3 If the transferred cover is from another super fund, then once the new cover has been confirmed in writing as accepted by TAL, you are required to transfer the total available account balance of this fund into your NGS Super *Accumulation account* within **60** days of the date of the acceptance.

Please note that acceptance of your transfer request is subject to the insurer's acceptance and the terms of acceptance.

Transferred cover will be subject to the NGS Super Insurance Terms and Conditions which may not match your previous policy.

If TAL accepts your application, you will receive an amount of cover equivalent to the level of cover you currently have with your former fund or individual insurer.

If this cover is for **Life and/or TPD**, this cover will apply **in addition to any existing cover** that you may have under NGS Super (subject to terms and conditions of the policies). However, if you do not currently have **Default Cover**, you will not be eligible to receive **Default Cover** in addition to your transferred cover in the future, even if you meet our eligibility requirements.

Important

If you apply to transfer your cover, it is important to wait until you receive confirmation that we have accepted your insurance before cancelling your existing cover or consolidating your super balance into your NGS Super account.

If you are transferring **IP** cover, this transferred cover (including relevant waiting and benefit periods) will **replace** any existing cover that you may have under NGS Super subject to the following conditions:

- where there is **no equivalent waiting period** (e.g. 45 days), the waiting period will be the next longer waiting period (e.g. 60 days)
- where there is **no equivalent benefit period** (e.g. up to 3 years), the benefit period will be the next shorter benefit period available (e.g. up to 2 years). It should be noted that:
 - (i) the waiting period of the cover to be transferred must not be longer than 90 days, and
 - (ii) the benefit period of the cover to be transferred must not be shorter than 2 years

or

- if the **waiting and benefit period match** (your existing NGS Super cover), the transfer cover can be added to your existing amount of cover - subject to your income supporting your requested cover level.

Please note, your Income Protection cover is designed to help replace **up to 80%** of your **Pre-Incapacity Income**, plus up to 10% super contribution, which will be paid into your NGS *Accumulation account*. So, any monthly payment you receive will be based on your **Pre-Incapacity Income**. It is not an agreed value policy.

The amount of the total sum insured after the transfer of cover cannot exceed:

- \$2 million for life and TPD cover; and
- \$15,000 per month for IP.

All your cover will become **Fixed Cover** (including any existing cover you may have under NGS Super) if you transfer cover into your NGS *Accumulation account*.

Any **loadings, exclusions, restrictions or limitations** which were imposed on your insurance cover by the former fund or individual insurer will be assessed and if accepted by the Insurer, apply to the transferred cover. Please attach a copy of the advice you received from the former fund or individual insurer (that is dated within the last 60 days) advising you of the acceptance of that cover subject to these additional terms.

Life cover/Death cover

Within this form we have referenced 'Life cover' as per the terminology used in the NGS Super insurance policy instead of 'Death Cover'. Both terms can be used interchangeably and refer to the same type of insurance cover.
