**If you don't select an option or your selection is invalid, the default option will apply.**

- Option 1:** Select the default option for your account

**Go to Step 7.**

### Select your own investment option/s for your account

(select one option only (✓))

## Step 6. Choose your investment options for your drawdown strategy (income payments)

Complete this step only if you completed **Option 2** or **Option 3** at **Step 5** to select investment options for your account. Complete 1 of the following 3 options to select the drawdown strategy for your account.

**If you do not complete this step, your income payments will be drawn proportionally from the balance in each investment option in your account.**

**Option 1:** Proportionally from each investment option

Please make payments proportionally from each investment option. This means that as each investment moves up and down in value, the income payment will be paid in direct correlation with the balance held in each option.

**Option 2:** Nominated percentage drawdown

You can choose to have your payments made from one or more of the pre-mixed or sector-specific investment options you have chosen above for your account balance. For example, if your account is invested in 80% Diversified option and 20% Balanced option, you could choose to have your payments made from the Balanced option only. Alternatively, you can choose to have payments deducted proportionally from all your options. Once there's no longer enough money in your chosen option(s), payments will automatically be deducted proportionally from the balance(s) invested in your other option(s). You'll be notified at the time, and you can adjust your investment choice accordingly.

## Step 6. Choose your investment options for your drawdown strategy (income payments) (continued)

### Option 3: Priority drawdown

You can choose the pre-mixed and sector-specific investment options from which payments are drawn by electing a drawdown order. Payments will only be drawn from one investment option at a time. After your first nominated investment option is depleted, payments will then be drawn from your next nominated option until this has been depleted and will continue down your drawdown order. For example, if your account balance is invested in 50% Diversified option, 25% Balanced option and 25% High Growth option you could choose to have your payments drawn down in the order of 1. Balanced, 2. High Growth and 3. Diversified.

Where the selected options have an insufficient balance, your income payments will be drawn proportionally from the balance(s) invested in your remaining investment option(s). You'll be notified at the time, and you can adjust your investment choice accordingly.

#### Drawdown order (number 1, 2 etc as required):

##### Pre-mixed options

- Diversified
- High Growth
- Balanced
- Defensive
- Indexed Growth
- Retire Plus

##### Sector-specific options

- Australian Shares
- International Shares
- Infrastructure
- Property
- Diversified Bonds
- Cash & Term Deposits

If in the future you change your investment options, the above instruction will become invalid and cease to apply. You can provide a new priority drawdown instruction when you change your investment options or at any other time.

## Step 7. Choose your payment frequency and amount

**Payment frequency:** (select one option only ) If you don't select a frequency, your payments will be paid fortnightly.

- Fortnightly (default option)     Monthly     Quarterly     Six-monthly     Yearly

#### Payment start date

- For accounts starting between 1 June and 30 June, confirm if you would like to defer your first payment until the next financial year.

For all new accounts, please advise the date you wish to commence your payments, otherwise your payments will commence on the first available pay date.

Starting month and year   /

Your payment will be paid on the fifteenth of the month (excluding fortnightly payments).

#### Payment amount

If you don't select an amount, you will be paid the default payment amount.

**For members below age 75** your payments will be paid at 6% p.a. of your initial account balance and will remain at this amount (subject to meeting minimum required payments).<sup>1</sup> **For members aged 75 or above the minimum required percentage payment amount will apply.**

<sup>1</sup> Where the default payment amount applies to your NGS Income account, your payments are paid at 6% p.a. of your initial account balance. The dollar amount of payments in the first year will remain the same in future financial years until we are advised otherwise. However, they will be adjusted where required to meet minimum required payments. Your annual payment amount will generally be pro-rated in the first financial year, unless you have selected otherwise. You can request changes to your payments via [Member Online](#).

## Step 7. Choose your payment frequency and amount (continued)

<sup>2</sup>The percentage will be converted to a dollar amount based on your initial balance, which will continue to apply in future financial years, unless it needs to be adjusted to comply with regulatory minimum limits. Your payment amount will generally be prorated based on the number of payments remaining in the first financial year.

### Optional annual increase to your nominated payment amount (if left blank no increase will be applied)

Your payments will increase from 1 July each year by the percentage you select, unless you change this at a future date. (select one option only) (✓)

## Step 8. Complete your payment details

**Option 2** — Please pay into my new bank account using the details below.

Please provide proof of your bank account details such as a statement that shows your BSB number, your bank account number and your account name.

Money cannot be paid into a credit card account or a third party account. We will take care to ensure your money is paid in line with the details you have provided.

We accept no responsibility for any loss which occurs as a result of incorrect bank details you provide us. If the bank rejects the payment of your money we will pay you by cheque.

Please note, bank fees may be charged for telegraphic transfers to international bank accounts and will be deducted from your payments.

<sup>^</sup>This must be a personal account, held solely or jointly in your name.

## Step 9. Nominate your beneficiaries

If you die, the balance of your NGS Income account may be paid to your spouse, dependants or estate. You have the option of:

- (1) nominating a **reversionary** beneficiary OR
- (2) making a **non-binding** nomination OR
- (3) making a **binding** (lapsing or non-lapsing) nomination

If you do not nominate a reversionary beneficiary or make a binding (lapsing or non-lapsing) nomination, NGS Super ('the trustee') will determine to which of your dependants and/or your estate your account balance will be paid. Your nomination will be taken into account if we hold a completed form when the trustee makes their determination.

For more details, refer to our fact sheet **Nominate your beneficiaries** available at [ngssuper.com.au/factsheets](https://ngssuper.com.au/factsheets)

**If you wish to nominate a reversionary beneficiary, you must do so here using the application form. You will not be able to nominate a reversionary beneficiary once this account commences.**

- Option 1:** Reversionary nomination (you can't change or remove the reversionary beneficiary on your account once your account starts)

You can make a reversionary beneficiary nomination only during the process of opening your account. Your reversionary beneficiary will receive ongoing regular payments from your account if you die, provided they meet the definition of dependant at the time of your death.

If you wish to change your reversionary beneficiary after your account starts, you'll need to commute (stop) this account and start a new one. This may have other financial implications (e.g. for any Centrelink or DVA benefits or aged care arrangements).

- Option 2:** Non-binding nomination

If you make a non-binding nomination, the trustee is not legally bound by your wishes but will take them into account. If you want to make a non-binding nomination, please complete the **Death benefit nomination form** available at [ngssuper.com.au/forms](https://ngssuper.com.au/forms), then attach it to this application.

- Option 3:** Binding nomination

If you make a valid binding nomination, the trustee has no discretion to decide who is to receive your death benefit. Your death benefit must be paid to your nominated beneficiaries.

If you wish to make a **binding** nomination, please complete the **Death benefit nomination form** available at [ngssuper.com.au/forms](https://ngssuper.com.au/forms), then attach it to this application.

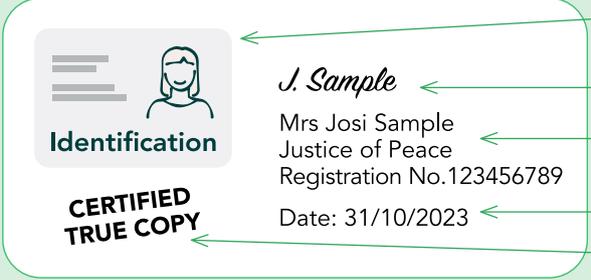

## Step 10. Attach proof of identity

For identification purposes, you **MUST** attach a certified copy of either your driver's licence (front and back) or passport (or acceptable alternatives). You can have these documents certified by a number of people including either a full-time teacher or by a post office employee with more than 2 years' continuous service. For a full list of people who can certify documents and acceptable alternative documents, please visit [ngssuper.com.au/poi](http://ngssuper.com.au/poi). An example of how to certify documents is shown below. Failure to provide appropriate proof of identification may result in delays in the processing of your payment(s).

### How to certify documents

After sighting the original and the copy and making sure both documents are identical, the certifier must include on EACH page:

- written or stamped 'certified true copy'
- signature and printed full name
- qualification (such as Justice of the Peace, Australia Post employee with more than 2 years' continuous service, etc.)
- date (the date of certification must be within the 12 months prior to our receipt).

The diagram shows a sample of a certified true copy of a document. It includes a box labeled 'Identification' with a person icon, the text 'CERTIFIED TRUE COPY', a signature 'J. Sample', the full name 'Mrs Josi Sample', the qualification 'Justice of Peace', the registration number 'Registration No. 123456789', and the date 'Date: 31/10/2023'. Arrows point from text labels to these elements:

- A clear copy of the document that identifies you (i.e. your driver's licence (front and back) or passport).
- The authorised person's signature.
- Full name, qualification and registration number (if applicable) of the authorised person.
- Date of certification (within 12 months of receipt by NGS).
- Write or stamp 'certified true copy' of the original document.

#### Verification

A verification of the certifying party may be performed. If a discrepancy arises, you may be requested to re-certify documentation.

#### Important note

The information in this document is a guide only and we may request additional documentation prior to any payment.
