Dear <<Salutation>>,

Significant event notice

At NGS Super, we regularly review our product offering, and make changes where appropriate.

The NGS Self-Managed Direct Investment Option (DIO) has been available to members since 29 January 2014. This option has provided members with a gateway to direct investments, including ASX-listed companies, exchange traded funds (ETFs) and term deposits.

The NGS Self-Managed DIO has had very low member demand from *NGS Transition to retirement (TTR) account* members. With a focus on keeping costs low, from 19 November 2021 this investment is no longer offered to TTR members.

The Self-Managed DIO is still currently available to members of:

- *NGS Accumulation account*
- *NGS Income account.*

To find out more about the different investment options available to you, read our [Product Disclosure Statement](#) and [Investment guide](#) which are both available at ngssuper.com.au/PDS and were updated on 8 December 2021.

If you have any questions, please call us on **1300 133 177**, Monday to Friday, 8am–8pm (AEST/AEDT).

Yours sincerely,

LAURA WRIGHT
