What We Say

NGS Super was established in 1988 as an industry super fund dedicated to people who work in education and community-focused organisations. Members from outside these industry groups can join the Personal Plan and receive the same benefits. The fund was nominated as a finalist for the 2021 MyChoice Super of the Year award and is also Infinity Recognised, which is a result of its strong commitment to environmental and social principles. Most recently, NGS Super announced plans to merge with Australian Catholic Super.

NGS Super offers a range of 13 investment options to choose from, providing members with access to 7 Pre-Mixed and 6 Sector-Specific options. The NGS Self-Managed option is offered to members who wish to take greater control over their investments, providing direct access to shares listed on the S&P/ASX 300, a range of Exchange Traded Funds (ETFs) and Term Deposits. The Diversified (MySuper) option outperformed the SuperRatings Index over the 7 years to 30 June 2020.

Fees are competitive and lower than the industry average across all member account balances assessed, with the asset-based administration fee capped at \$500 pa. Members are able to switch investment options at no cost.

A full suite of insurance cover is offered, with Death, Total & Permanent Disablement (TPD) and Income Protection (IP) insurance cover automatically provided to eligible members upon joining the fund. IP with a benefit period of 2 years, 5 years, to age 65 or to age 67, covering up to 90% of salary, is available following a 30, 60- or 90-day waiting period. Members can apply to increase their Death, TPD or IP cover following the occurrence of a prescribed Life Event without additional underwriting.

A range of online tools, calculators and educational resources are available through the fund's website, with an online advice tool, NGS SuperMap, and free seminars also on offer. The fund's secure website, Member Online, further enables members to view and update their accounts online, as well as perform transactions.
