

NGS SUPER WEBINARS

Learn online with us

FEBRUARY 2022

LEARN AND DISCOVER NEW IDEAS

Superannuation is likely to be one of your most important investments. By attending our free webinars, you will learn how to make the most of your super and how to protect your wealth for you and your family. You will have your questions answered by our knowledgeable and friendly super specialists, with the opportunity to **book a chat** if you want to find out more.

Boost your super

Explore how you can boost your super balance, pay less tax, and reduce your taxable income.

First Home Super Saver (FHSS) Scheme

Learn what's involved and how you can get into your first home sooner.

Investments

Explore investment options, including diversification, risk and return, as well as how asset classes work and ways you can allocate your portfolio.

Planning for retirement

Discover how much you will need to live the retirement you have planned and the factors you need to consider.

Protecting your wealth

Life is unpredictable, so it's important to have a backup plan. Learn about the insurance options available through your super.

Responsible investing

Learn about the principles of responsible investment and key environmental, social and governance (ESG) issues

Super beneficiary nominations

Find out why and how nominating a superannuation beneficiary is an essential part of managing your super.

Understanding Centrelink for your retirement

Understand the government age pension and the range of benefits that a concession card offers.

Women and super

Empower yourself with tools and information that will help you secure your financial future.
