The above table shows the net return after investment fees and tax. For returns covering periods before 1 November 2025, these are also net of the asset-based administration fee.

We recommend that you seek financial advice before making any changes to your investment strategy. In particular we recommend that you seek financial advice before making any short-term changes to your long-term investment strategy. Investment returns are not guaranteed as all investments carry some risk. Past performance is not necessarily a guide to future performance.

¹ If you are in a *Transition to retirement account*, your returns prior to 1 July 2017 were tax free and were reflected in the Income account returns.

On 1 October 2026, the High Growth option was renamed Growth and the Indexed Growth option was renamed Indexed Diversified. These updated names have been applied to the Investment Performance Summary table.

Past performance is not a reliable indicator of future performance. Please read our [Product Disclosure Statements](#) and [Target Market Determinations](#) before deciding if this product is right for you.
