## **Date of closure of the NGS Self-Managed Direct Investment Option**

As previously communicated to members on 24 February 2025, the NGS Self-Managed Direct Investment Option (DIO) is closing.

We can now confirm that the date of closure is Friday 30 May 2025. If you're not currently invested in this option, you don't need to take any action. We've communicated separately with members invested in the DIO to advise of the impact of the closure and the steps they may need to take.

## **Change to investment objective for Retire Plus**

Effective 30 May 2025, the investment objective for our Retire Plus investment option (available to NGS Income account members only) will change.

**Current objective** – to achieve a net return 4% above CPI p.a. over rolling 10-year periods

**New objective from 30 May 2025** - to achieve a net return 3% above CPI p.a. over rolling 10-year periods.

This change brings the investment objective of Retire Plus in line with the Diversified (MySuper) option, reflecting their similar risk characteristics. The underlying investment strategy of Retire Plus is unchanged.
