The above table shows the net return after investment fees, tax and the asset-based fee.

We recommend that you seek financial advice before making any changes to your investment strategy. In particular we recommend that you seek financial advice before making any short-term changes to your long-term investment strategy. Investment returns are not guaranteed as all investments carry some risk. Past performance is not necessarily a guide to future performance.

¹ If you are in a *Transition to retirement account*, your returns prior to 1 July 2017 were tax free and were reflected in the Income account returns.

Past performance is not a reliable indicator of future performance. Please read our [Product Disclosure Statements](#) and [Target Market Determinations](#) before deciding if this product is right for you.
