

Simple, affordable,  
& tailored for you.

At NGS Super, we're built for what matters –  
helping you protect what's important today,  
so you can feel confident about your future.

Insurance is one of those things we often don't think about until it's needed, which might be too late. That's exactly why we provide automatic default insurance for most of our members, if they are eligible.

Our insurance is designed for people in the education and community sectors – ensuring our cover is good value while providing peace of mind and financial security when life takes an unexpected turn.

## Why get insurance in your super fund?

Insurance through your NGS Super account is a simple and cost-effective way to protect you and your loved ones.

Your insurance premiums are conveniently paid from your super, not your take-home pay – giving you tax-effective peace of mind without impacting your day-to-day budget.

## Types of cover available

NGS offers three types of flexible insurance cover to suit your needs:

### Income Protection

Provides a regular income if you're unable to work due to illness or injury. Helping you focus on recovery without financial stress.

### Total and Permanent Disablement (TPD)

Pays a lump sum if you become permanently unable to work due to illness or injury. Supporting long-term recovery or lifestyle adjustments.

### Life Cover

Pays a lump sum if you pass away or are diagnosed with a terminal illness. Providing financial security for your loved ones.

## Our track record

Looking after our members when they need it most matters. Below is a summary of insurance outcomes for our members for the Financial Year ending June 2025:

**100%**  
of life insurance claims are paid<sup>1</sup>

**94%**  
of life claims finalised within 1 month

**91%**  
of TPD and Income Protection claims finalised within 6 months

Statistics sourced from the TAL F25 Impact Report, covering claims paid during FY2025 (1 July 2024 – 30 June 2025). All percentages rounded to the nearest whole number.
