Deed binding

- (a) The provisions of this Deed (which includes any amendments under clause 1.11) as well as all approvals and acts under this Deed are binding on all Participants and form the sole agreement between the Trustee and the Participant in relation to the matters dealt with by this Deed.

Rules of interpretation

- (b) To the extent of any inconsistency, the Participation Schedule overrides the clauses and Rules of this Deed.

Severance

- (c) In order to avoid any provision of this Deed being made invalid by law, the provision must be read down, changed or severed to avoid the invalidity.

Statutory Enactments

- (d) References to any statutory enactment, regulation, rule, by-law or other law or a provision thereof (hereinafter collectively called a "law") shall include that law as amended or re-enacted from time to time and any law which replaces the same or has the same effect in whole or in part (whether or not passed or approved by the same legislative body or other authority and whether or not incorporating or adopting any law previously in force) and shall also include any determinations, rulings or guidelines made by any person under the authority of such a law.

Amended Provisions

- (e) All references to clauses, sub-clauses, paragraphs, Parts, appendices and other provisions of the Deed shall be read as references to clauses, sub-clauses, paragraphs, Parts, appendices and provisions as amended or replaced from time to time.

Particular Words

- (f) For the purposes of the Deed, unless the contrary intention appears or the context requires otherwise:

Defined Terms

- (h) Whilst for convenience a particular word or group of words defined in the Deed may commence with capital or lower case letters, failure to use capital or lower case letters in that word or group of words elsewhere in the Deed does not of itself mean that that word or group of words has a meaning different from the meaning assigned thereto in the relevant definition.

Directors' Resolution

- (i) Where an Employer, the Trustee, a Principal Organisation or other relevant person is or includes a body corporate, a resolution or directive by the directors (or the equivalent thereof) of that body, or by some of them acting as a board or a committee in accordance with its articles of

 - (6) any other amounts which this Deed may require to be debited to the Account or which the Trustee may determine to debit to the Account.
- (d) The Trustee may establish sub-accounts within a Member's Account and maintain and operate any sub-account for any purpose and in any manner the Trustee considers appropriate. The total of the credit balances in all such sub-accounts shall form the Member's Account Balance.

4.4 Contributions

The Trustee may accept contributions as it determines, in accordance with the Relevant Law in respect of an Account-Based Pension Member, an Allocated Pension Member or a Term Allocated Pension Member as the case may be.

4.5 Pension

Where the Trustee determines under clause 1.3.5 to pay a pension to a Member pursuant to the terms of this Part 4, the Trustee must pay the Member a pension:

- (a) commencing on the date agreed between the Trustee and the Member which must be not later than necessary to comply with the Relevant Law; and
- (b) in respect of an Account-Based Pension or an Allocated Pension terminating when the Member's Account Balance has been exhausted; and
- (c) in respect of a Term Allocated Pension terminating in accordance with specified term of the pension determined in accordance with the Relevant Law.

4.6 Frequency of Payment

The Trustee must pay the pension to a Member at the times agreed by the Member and the Trustee as at the time a benefit first becomes payable from the Plan.

4.7 Change of Frequency

A Member may change the frequency of the pension payments if:

- (a) the change is approved by the Trustee; and
- (b) the change is in a form approved by the Trustee.

4.8 Default Frequency

If at any time a Member has not made a selection as to the frequency of the pension payments, the Trustee may pay the pension annually or at such other frequency as the Trustee determines.

4.9 Minimum Number of Payments

For so long as the pension is payable, the Trustee must ensure that at least one payment is made during each Financial Year (subject to any exception set out in the Relevant Law).

4.10 Amount of Pension Payments

For each Financial Year (or part of a Financial Year), the pension payments to a Member must not be:

- (a) in respect of an Account-Based Pension less than the minimum limit set out in the Relevant Law having regard to the age of the Beneficiary.
- (b) in respect of an Allocated Pension:
 - (i) larger than the maximum limits; nor
 - (ii) smaller than the minimum limits set out in the Relevant Law for pension benefits of the kind provided by the Plan.
- (c) in respect of a Term Allocated Pension other than in accordance with the specific total annual amount determined for the Term Allocated Pension Member in accordance with the Relevant Law,

PROVIDED THAT a Member who is in receipt of an Allocated Pension Benefit pursuant to Clause 4.10(b) prior to the Prescribed Date may satisfy the requirements of an Account-Based Pension with effect from 1 July 2007 in accordance with the applicable provisions of the Relevant Law.

4.11 Selection of Payment Level for Allocated Pension

At the time or times permitted by the Trustee, the Member may select the level of pension payments for a Financial Year within the limits in clause 4.10(b). The selection must be in a manner approved by the Trustee.

4.12 Default Pension Level for Allocated Pension

If at any time during a Financial Year no selection has been made for that year under clause 4.10(b) and an Allocated Pension was being paid in the previous Financial Year, the Trustee must continue to pay a pension at the level prevailing at the end of the previous Financial Year. However, the Trustee may adjust the level up to the minimum or down to the maximum so as to comply with clause 4.10(b).

4.13 First Default Level for Allocated Pension

If, at the time a benefit first becomes payable from the Fund, the Member has not made a selection under clause 4.10(b), the Trustee must pay a pension at the minimum level required under clause 4.10(b).

4.14 Commutation

Subject to the Relevant Law and if permitted by the Trustee, a Member may commute the whole or a part of the Member's pension at any time by notifying the Trustee in a manner approved by the Trustee. On a Member fully commuting the Member's pension, the Trustee must pay a lump sum benefit to the Member equal to the Member's Account Balance. On a Member partially commuting the Member's pension, the Trustee must pay a lump sum benefit to the Member equal to the amount requested by the Member and approved by the Trustee up to the amount of the Member's Account Balance.

4.15 Compulsory Commutation

If the Relevant Law requires the Trustee to commute part of a Member's pension, the Trustee must comply with that requirement.

4.16 Death Benefits

Where the Trustee pays a pension under this Part 4 then unless Clause 4.18 or Clause 4.19 applies, on the Member's death the Trustee must pay a benefit equal to the Member's Account Balance according to Clause 1.6.3.

4.17 Miscellaneous

Where the Trustee pays a pension under this Part 4 then:

- (a) the capital value of the pension and the income from it must not be used as security for a borrowing unless the Relevant Law permits; and
- (b) the pension must not be transferred to another person unless permitted by the Relevant Law.

4.18 Binding Nominations under Relevant Law

A Member who is entitled to a pension under this Part 4 may give the Trustee (or the Trustee may accept) a binding direction in accordance with the Relevant Law nominating a reversionary pensioner in a form and at a time approved by the Trustee. The Member may revoke that nomination or nominate a new reversionary pensioner at any time by notice to the Trustee in accordance with the Relevant Law. On the death of a Member who has made a binding direction nominating a reversionary pensioner, the Trustee must continue to pay a pension to the Member's reversionary pensioner until the earlier of:

- (a) the Member's Account Balance is exhausted; or
- (b) the reversionary pensioner dies - in which case the Trustee must pay the balance of the Member's Account Balance:

- (i) to the reversionary pensioner's legal personal representative; or
- (ii) to Dependants of the deceased Member.

If the benefit cannot be paid in accordance with paragraphs (i) or (ii), the benefit will be paid to any other person the Trustee considers appropriate.

4.19 Reversionary Pensioner

- (a) Subject to the Relevant Law, the Trustee and a Member to whom a pension is being paid, may agree that on the Member's death, a pension may be paid to one or more reversionary pensioners who are Dependants. The Trustee will pay a pension to such of the reversionary pensioners as nominated by the Member and agreed to by the Trustee.
- (b) The amount and the terms and conditions of the pension paid to a reversionary pensioner under this clause 4.19 will be agreed on by the reversionary pensioner and the Trustee subject to the Relevant Law. In the absence of agreement, the amount and the terms and conditions of the allocated pension will be determined by the Trustee.
- (c) Notwithstanding clause 4.19(a), if the pension has to be paid on some other basis for the Fund to comply with the Relevant Law, it will be paid on that basis.
- (d) The pension payable under this clause 4.19 ceases to be payable:
 - (i) if the Member's Account Balance is exhausted; or
 - (ii) on the death of the reversionary pensioner - in which case the Trustee must pay the balance of the Member's Account Balance:
 - (A) to the reversionary pensioner's legal personal representative; or
 - (B) to Dependants of the deceased Member. If the benefit cannot be paid in accordance with paragraphs (A) or (B), the benefit will be paid to any other person the Trustee considers appropriate,

PROVIDED THAT in relation to a Term Allocated Pension both the payment of the balance of the Member's Account Balance and the amount of such payment shall be subject to the Relevant Law

4.20 Special Rules for Pensioners

Each provision of this Deed applies to a Member receiving a pension under this Part 4 ("the Pensioner") and to a reversionary pensioner from date of death of the Pensioner as if such Pensioner or reversionary pensioner was a Member except if, and to the extent that, the Trustee determines otherwise. The Trustee may, in its absolute discretion, determine that any provision will not apply to one or more Pensioners or Term Allocated Pension Members or reversionary pensioners for any period the Trustee determines.

4.21 Compliance Provision

Despite any other provision of this Part 4, a pension paid from the Fund must comply with the Relevant Law for pension benefits of the kind provided by the Fund pursuant to this Part 4.
