Tax File Number notification

In line with the Superannuation Industry (Supervision) Act 1993, the Trustee of NGS Super is authorised to ask for your tax file number. The Trustee will only use your tax file number for lawful purposes. These purposes may change in the future if there are changes to legislation.

The Trustee may pass your tax file number to any other super fund or account to which your super is transferred in the future unless you request in writing that this not be done.

By providing your tax file number:

- the Trustee will be able to accept all types of contributions made by or for you (some limits may apply)
- you can avoid paying tax at a higher rate than would otherwise apply on your contributions
- you can avoid paying tax at a higher rate than would otherwise apply on your super benefit, and
- it will be easier for you to find your super in the future and ensure that you receive all of your super benefits when you retire.

Choosing not to provide your tax file number is not an offence. However, if you don't provide your tax file number now or in the future:

- the Trustee will only be able to accept contributions made for you by your employer. No other contributions, for example after-tax contributions, can be accepted
- you may pay more tax on contributions made for you by your employer. In some circumstances you may be able to claim back this additional tax, however time limits, fees and other rules may apply
- you may pay more tax on your super benefit than you would otherwise (although you can claim this back when you lodge your tax return).

If you wish to provide your TFN to the Trustee please complete this form and return it attached with your Payment Instructions. Please note that your signature will serve as an acknowledgment that you understand the circumstances in which your TFN may be collected and used.
