### What We Say

NGS Super is an industry super fund dedicated to people who work in education and community-focused organisations. Members from outside these industry groups can join the Personal Plan and receive the same benefits. The fund has achieved a Platinum rating for the past 12 consecutive years. NGS Super is also Infinity Recognised, which is a result of its strong commitment to environmental and social principles.

NGS Super offers a range of 8 investment options to choose from, providing members with access to 7 Pre-Mixed and 5 Sector-Specific options, including a Socially Responsible Diversified option for the ethical investor, as well as the NGS Self-Managed option providing access to Direct Shares listed on the S&P/ASX 300, a range of Exchange Traded Funds (ETFs) and Term Deposits. The Diversified (MySuper) option underperformed the SuperRatings Index over the 5 years to 30 June 2016; however, outperformance over the longer term remains evident.

Fees are competitive across all account balances assessed, with the asset administration fee capped at \$500 pa. Members receive one free investment change each financial year, while an exit fee is applied when a withdrawal is processed.

A full suite of insurance cover is offered, with Death, Total & Permanent Disablement (TPD) and Income Protection (IP) insurance cover automatically provided to eligible members upon joining the fund. Income Protection is available to a maximum of 90% of salary including 10% super contributions, with a choice of benefit payment periods of two years, five years, to age 65 or to age 67 and 3 waiting periods.

A range of online tools, calculators and educational resources are available through the fund's website, with an online advice tool, NGS SuperMap, and free seminars also on offer. The fund's secure website, Member Online, further enables members to view and update their accounts online.
