

INCOME PROTECTION PREMIUMS

Protect your biggest
asset - you.

INFORMATION SHEET

JUNE 2017

NGS Super helps you to be prepared for the unexpected. NGS Super gives you and your family financial peace of mind through cover in case you become sick or disabled and can't work.

The tables on the following pages show the premiums for each benefit waiting period (90 days, 60 days and 30 days) and benefit payment period (two years, five years, to age 65 or to age 67).

For details of rates that apply for default standard cover (90 day waiting period and up to 5 year benefit payment period) please refer to our *Insurance guide* available at ngssuper.com.au/PDS.

Any application for other income protection waiting or benefit periods are provided in the form of fixed cover.

What do I need to know?

Premiums are based on your occupation; so first you need to consider which of the following three categories you would be classified as:

NGS Plus – where you are engaged in a professional, managerial, teaching, secretarial, clerical, administrative or similar occupation with office duties or tasks that do not involve manual work and are undertaken entirely (or at least 80%) within an office environment or classroom (excluding workshops).

NGS Select – engaged in a white collar occupation where you are also earning \$100,000 or more per annum.

NGS General – where you are engaged in a skilled occupation with a light amount of manual work e.g. midwife, registered nurse or do not meet NGS Plus requirements.

How to use these tables:

1. Refer to your recent statement or contact us to identify which category – NGS Select, NGS Plus or NGS General is relevant to you.
2. Find the row in the appropriate table (NGS Select, NGS Plus or NGS General) that relates to your age, relevant waiting and benefit period to review cover cost.

	Category Rate Loading*		
	NGS Select	NGS Plus	NGS General
Males	0.70	0.80	1.45
